IDEAL FOR ANY PRESSING SITUATION...

SPEEDY-MITE!

For the press shop with limited space, SPEEDY-MITE, the ultra compact electric boiler, is the answer.

SPEEDY-MITES require only 16" x 32" floor area and are a mere 21" high. All sizes from 1.2 BHP (12 KW) to 4 BHP (40 KW) fit neatly under any press table and feature:

1. Quiet — maintenance-free operation.
2. The exclusive FIRE-ROD heating element, which produces more heat with the fastest recovery of any other heating element ever developed.
3. A full head of steam in less than 10 minutes from cold water startup.
4. All electric operation — no flue — absolute minimum insurance rates.
5. Condensate return by gravity with cold water makeup pump only.

Enthusiastically endorsed by PANTEX, PROSPERITY, and TROY, the SPEEDY-MITE is the ultimate in compact, high efficiency electric boilers. For technical data, write
